I regularly develop other people.	
I have led several successful change projects.	
I rely on my intuition to evaluate others character. (Is a leader able to lead change?)	
I enhance the reputation of others on my team.	
I have experience championing and shaping a new organizational culture.	
I am an active listener. I listen with the intent to listen, not to respond.	
I can resonate with the change and the impact on the organization.	
I am a "high-touch relator," that is, I look for opportunities to interact and not resort to email and social media.	
I am emotionally intelligent.	
I serve others and act as a steward for the organization.
